

Old Colorado City Presents *ICE ON THE AVENUE*

Colorado Springs, CO—The merchants of historic Old Colorado City, Comcast and co-sponsors invite you to attend the first annual *ICE ON THE AVENUE* in Old Colorado City Saturday and Sunday, January 17 and January 18, from 11 am to 6 pm. For two fun-filled days only, along West Colorado Avenue between 23rd and 27th Street, you will witness massive blocks of ice expertly transformed into spectacular works of art by award-winning, skilled craftsmen from Denver-based Colorado Ice Sculptures. Come marvel at the majestic ice sculptures and carving demonstrations by these professional ice sculptors. Enjoy a winter wonderland filled with glittering ice forms, fun and excitement for the entire family and a great way to take in the best of Colorado's winter. The weekend is filled with events up and down the Avenue.

Hunter-Wolff Gallery will have live art demonstrations by several popular local artists, including Kathryn McMahon, Gary Vigen and Gene Sanchez, throughout the weekend. Come in from the cold and learn how they make painting look so easy and enter your name in a contest for a gift certificate for fine art.

Stop by **All That Glitters Fine Jewelry** to enter a drawing to win a 14k white gold diamond snowflake pendant with earrings and check out their latest in-house designed collections.

In addition, the **merchants of OCC** will be hosting a fun scavenger hunt with clues to the community through radio broadcasts on **KRXP and MAGIC FM**. Stay tuned for seven weeks and join in for the big bash on March 7 in Old Colorado City. **Heuser Chiropractic** will be providing free massages and prize giveaways to visitors during this live radio broadcast.

You won't want to miss this opportunity for some old-fashioned fun with your family and friends in Old Colorado City—where visitors return time and time again to shop for the latest fashions at trendy boutiques, for beautiful art at upscale art galleries, for fine gems at classic jewelry shops, and dining at popular restaurants.
