Ent Business Banking Sponsors ArtWalk in Old Colorado City

Colorado Springs, CO —Ent Business Banking plans to take an active role in greeting art enthusiasts monthly during Old Colorado City's ArtWalk hosted by a dozen galleries along the Avenue. ArtWalkers will have an opportunity to become familiar with sponsor establishments through marketing materials and in the case of Ent Business Banking, through their business representatives.

ArtWalk involves the majority of Old Colorado City's galleries and art studios monthly throughout the year. This visual arts event has become widely popular as a result of the strong commitment by the individual gallery owners and local sponsorship. The generosity of local businesses and corporate sponsors helps to offset the cost of facilitating the program so that ArtWalkers can enjoy the event free of charge while learning about visual art offerings.

ArtWalk is a self-guided walking tour featuring twelve art galleries and working artist studios along Colorado Avenue. More than 400 individual artist's exhibit work for purchase in Old Colorado City's art district—the largest concentration of galleries in Colorado Springs within three city blocks. Art enthusiasts can enjoy the region's vast pool of creative talent at **All that Glitters, Arati Artists Gallery, Cucuru Art Café, Hunter-Wolff Gallery, The Michael Garman Museum, Pine Creek Art Gallery, Range Gallery, Simpich Showcase, The Second Floor Studios, The Squash Blossom, Thunder Mountain Trading Co., and Velez Galleries.**

The 2010 **ARTWALK Presented by Ent Business Banking** takes place every first Friday of the month from 5-8 pm along three city blocks, between 23rd and 27th Streets on W. Colorado Avenue. On the first Friday, of each month, you will see new collections of art, meet artists and observe demonstrations throughout historic Old Colorado City. Mark your calendars now!

This event is made possible by the generosity of Ent Business Banking, Comcast®, Gold Hill Mesa, Motif Jazz Club, Colorado Springs Imaging, Jake & Telly's Greek Cuisine & Wine Bar, Front Range Barbeque, Jorge's Mexican Restaurant, Dat's Italian, Old Town GuestHouse & Conference Center, Historic District Merchants, and The Westside Pioneer.
