

Hunter-Wolff Gallery Keeping Everyone Safe & Protected During Deliveries

- 1) Normal Deliveries: Deliveries are operating on schedule (delays caused by local regulations are possible) through FedEx, UPS and/or USPS for distances outside Colorado borders and/or to locations beyond a 50-mile radius of Colorado Springs.
- 2) Front Door Delivery & Inside Drops: We are offering front door delivery on most items. Here are some steps we can take together to provide a no-contact delivery experience when local deliveries are possible, within stated mileage limits:
 - Delivery personnel are using hand sanitizer and/or soap before and after all deliveries.
 - We are maintaining the recommended 6-foot distance. We ask that you support our efforts to keep everyone safe and healthy by maintaining six feet of distance from our delivery personnel when a delivery is scheduled.
 - For inside-the-door deliveries, the driver will call when he or she arrives. Please leave the door propped open for the delivery personnel to safely deliver special orders.
 - We will not ask for signatures on receipts on deliveries.
- 3) In-home installation services: We temporarily paused these services until further notice to protect the health and safety of our customers, artists and our staff.
